

## KDC Lesson Policies 2022

**KDC Registration Forms:** All KDC Registration Forms must be mailed to 1845 Williamsburg Rd. Lexington, KY 40504. We must receive KDC registration forms before divers will be allowed to participate in lessons.

### Lesson schedule and payments

Lesson prices are based on the number of time divers come per week. Parents must email Jessica Hautau at [jhautau@gmail.com](mailto:jhautau@gmail.com) to register for their lesson group. Divers must register for day(s)/time(s) at the beginning of each month and stick with their registered groups for that month. Divers may switch their day(s)/time(s) each month as needed but must email Jessica Hautau at [jhautau@gmail.com](mailto:jhautau@gmail.com) to register for their day(s)/time(s) each month. Spots are first come first serve and our lessons are limited to 6 divers per group.

Each lesson group must have a minimum of 3 divers to hold the group. Parents will be contacted before the session starts if their group does not have enough 3 divers registered and they will be offered a spot in another available group.

Lesson times are as follows:

★ **Beginner lessons: Mondays – Thursdays from 6:15- 7:15**

★ **Intermediate/ HS lessons: Mondays – Thursdays from 7:15 – 8:15**

Divers may choose:

★ **Once a week: \$70**   ★ **Twice a week: \$125**

★ **Three times a week: \$180**   ★ **Four times a week \$240**

**Payments for lessons must be sent via Venmo. You can find us under “Kentucky Diving Club.” We do not accept payments/paperwork on the pool deck.**

Payments are due in full by the 1<sup>st</sup> of every month for the upcoming month.

A late fee charge of \$20 will be added after the 10<sup>th</sup> of the month, no exceptions.

When monthly fees are 30 days past due your diver may not practice with KDC until the payment has been paid in full. We do not prorate. **If your diver attends one or more practices during a month, you owe the month in full.**

### USA Diving Registration

Parents MUST register their divers with USA Diving before they can practice with KDC. USA Diving Membership confirmation should be e-mailed to [jhautau@gmail.com](mailto:jhautau@gmail.com) before the first day of practice. It is \$40 for an “athlete membership” which is the membership lesson divers need.

All members of KDC lessons are REQUIRED to have a USA Diving registration under **Kentucky Diving Club**.

### **To register:**

-Go to [www.usadiving.org](http://www.usadiving.org)

-Click on join USA Diving

-Choose an Athlete Membership (\$40)

-Fill out information to register. Kentucky Diving Club will be listed under the “Ohio Association.”

-E-mail your membership confirmation to [jhautau@gmail.com](mailto:jhautau@gmail.com) before the first day of practice.

**Lesson divers may NOT train with KDC without having a USA Diving membership.**

**Prorating and weather delays**

We DO NOT prorate. If divers miss practice for other sports, vacations, or sick time we are unable to adjust the monthly fees.

We will do our best to provide make up lessons when possible but if our lesson groups are full, make up lessons are NOT GUARANTEED.

We make our own call on weather cancellations, we do not always follow Fayette County. A lot of times weather is cleared up by the afternoon so we will still have practice when school is cancelled. We will e-mail on questionable weather days to let you know if we have practice or not. We do our best to not cancel practice but we also want to make sure it is safe for everyone to travel.

If UK is closed due to weather we will NOT have practice.

We do not reimburse payment for weather closings. These are out of our control.

**Covid Policy**

We follow UK's Covid policy since we use their facility to train. As we have seen over the past 2 years, the Covid policies change based on the CDC's current guidelines.

At the time of this agreement, UK requires masks to be worn at all times inside their facilities. Athletes do not have to wear masks when in the water or doing training exercises, but are expected to wear it at all times in between.

Athletes are also expected to keep a 6 feet distance between them at all times when possible, especially when waiting in line on the diving boards and for their turn on dryland equipment.

If your athlete has been contact traced by the health department, we expect families to follow all quarantine guidelines given to them by the health department before returning to practice with KDC. If your athlete has been cleared to go to school by the health department, they are cleared to come to KDC practice. If they are not cleared to go to school, they may not come to KDC practice.

We expect all families to do their part to limit the spread of Covid and all other illnesses at this time of year.

Divers may not come to practice for any reason if they have had any of the following symptoms in the past 48 hours:

- A fever of 100.4 or higher
- Vomiting or diarrhea
- New cough/sore throat/runny nose

We are thankful to have each and every one of you as a member of our KDC lessons. We look forward to working with your diver and appreciate all your help to make this a successful year!
